Plural Component Spray Equipment & Practices

Here's your chance to get it right!

You will learn what plural component equipment is available for plural component materials applied for Industrial use. You will learn why there are different kinds and why some will not work for your particular material. You will hear about specialized personnel training requirements and equipment maintenance commitments for consistent satisfactory applications that either reduce or produce profits.

Guest Speaker: *Robert (Bob) Zimel has over 40 years in the plural and single component application equipment industry. Mr. Zimel is employed by Graco Corporation as a Technical Service Specialist for the High Performance Coatings & Foam group, and is responsible for supporting Graco's HPCF Area Managers & distributors in the West, Mexico, and western Canada.*

Program Chair: *Dick Vass, Vass Industries, Inc.*

Chapter Chair: *Ron Robison, Redwood Painting Co. Inc.*
