Your Business is on Fire!!!

Planning for Emergencies

It is the big "What-If". What-if there was a fire? What-if there was an earthquake? What-if your place of business suffered losses from a devastating fire, spill, explosion, earthquake? Do you know who is in charge of taking action for your company? Will your employees know what to do? *Do you have an emergency response plan in place?*

You need to know. And this is what we are going to talk about at our meeting. We are going to learn from the painful experience of a paint distributor whose warehouse in San Francisco was destroyed by a fire.

Panel Speakers: Michael Fregosi, Fregosi & Co., Inc. and Steve Williams, Heffernan Insurance
