A Roundtable Question and Answer Session of Coating Issues presented Jeopardy Style

We invite you to join us for dinner and a fun evening of questions, answers and discussion of the issues facing us today. Our fun format will be presented to maximize audience participation as well as answer your questions, help you with your job site situation, shore up your specification, or assist you with any coatings related issue you have. Sample questions may include:

- How do I get qualified contractors to bid my work?
- When should I specify dehumidification?
- What is "passivated" galvanized metal?
- Is organic zinc better than inorganic zinc?

Bring your questions and situations to the meeting and we'll do our best to answer. If you prefer, you can email your questions in advance (anonymously) to Carl Bowers cbowers@tnemec.com or David Brockman brockman@muehlhan.com, to be included in the meeting.

Past events have proven very informative and a lot of fun!. You will have the opportunity to network with industry professionals as well as learn more about the SSPC. We look forward to seeing you there!

Our Co-Chairs and moderators will be:
 Carl Bowers (Alex Trebek), Tnemec/Amos & Assoc.
 David Brockman (Monte Hall), Certified Coatings, Inc.
